ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON JULY 9, 2024

MANAGEMENT INFORMATION CIRCULAR

This Information Circular is furnished in connection with the solicitation of proxies by the management of NTG Clarity Networks Inc. (the “**Corporation**”) for use at the annual and special meeting of the holders of common shares (the “**Common Shares**”) of the Corporation to be held at the offices of the Corporation located at 2820 Fourteenth Avenue, Suite 202, Markham, Ontario on the 9th day of July, 2024 at 10:30 a.m. (Toronto time) (the “**Meeting**”), or at any adjournment thereof, for the purpose set forth in the Notice of Meeting. The information contained herein is given as of the 21st day of May, 2024, except where otherwise indicated. There is enclosed herewith a form of proxy for use at the Meeting. Each shareholder who is entitled to attend at meetings of shareholders is encouraged to participate in the Meeting and shareholders are urged to vote in person or by proxy on matters to be considered.

APPOINTMENT AND REVOCATION OF PROXIES

Those shareholders desiring to be represented by proxy must deposit their respective forms of proxy with Odyssey Trust Company (“**Odyssey**”) at Odyssey Trust Company, Proxy Department, by mail to 702 - 67 Yonge Street, Toronto ON M5E 1J8 or by hand to 702 - 67 Yonge Street, Toronto ON M5E 1J8 or by phone (1-888-290-1175) or internet (<https://login.odysseytrust.com/pxlogin>), by no later than 10:30 a.m. (Toronto time) on the second last business day (excluding Saturdays, Sundays and holidays) preceding the Meeting or any adjournment of the Meeting. A proxy must be executed by the shareholder or by his attorney authorized in writing, or if the shareholder is a corporation, under its seal or by an officer or attorney thereof duly authorized. A proxy is valid only at the Meeting in respect of which it is given or any adjournment of the Meeting.

Shareholders may use the internet site at <https://login.odysseytrust.com/pxlogin> to transmit their voting instructions. Shareholders should have the form of proxy in hand when they access the web site and will be prompted to enter their Control Number, which is located on the form of proxy. The website may be used to appoint a proxy holder to attend and vote on a shareholder’s behalf at the Meeting and to convey a shareholder’s voting instructions. Please note that if a shareholder appoints a proxy holder and submits their voting instructions and subsequently wishes to change their appointment, a shareholder may resubmit their proxy and/or voting direction, prior to the deadline noted above. When resubmitting a proxy, the most recently submitted proxy will be recognized as the only valid one, and all previous proxies submitted will be disregarded and considered as revoked, provided that the last proxy is submitted by the deadline noted above.

Each shareholder submitting a proxy has the right to appoint a person to represent him or it at the Meeting other than the persons designated in the form of proxy furnished by the Corporation. The shareholder may exercise this right by striking out the names of the persons so designated and inserting the name of the desired representative in the blank space provided, or by completing another form of proxy and in either case depositing the proxy with Odyssey at the place and within the time specified above for the deposit of proxies.

An instrument of proxy may be revoked by the person giving it at any time prior to the exercise thereof. If a person who has given a proxy attends personally at the Meeting at which such proxy is to be voted, such person may revoke the proxy and vote in person by depositing an instrument in writing executed by the shareholder or its attorney authorized in writing with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the shareholder or its attorney authorized in writing, or if the shareholder is a corporation, under its seal or by an officer or attorney thereof duly authorized, and deposited with Odyssey at the place specified above for the deposit of proxies and at any time up to and including the last business day preceding the Meeting, or any adjournment thereof. The close

of business on May 21, 2024 is the record date for the determination of shareholders who are entitled to notice of, and to attend and vote at, the Meeting (the “**Record Date**”).

NOTICE TO BENEFICIAL HOLDERS OF SHARES

Only registered holders of Common Shares or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a “**Non-Registered Shareholder**”) are registered either (i) in the name of an intermediary (an “**Intermediary**”) (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Non-Registered Shareholder deals with in respect of the Common Shares, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited), of which the Intermediary is a participant.

In accordance with the requirements of the Canadian Securities Administrators, the Corporation will distribute copies of the Notice of Meeting, this Information Circular and the enclosed form of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Shareholders. The Corporation does not intend to pay for Intermediaries to forward meeting materials and voting instruction request forms to those Non-Registered Shareholders who have objected to their Intermediary disclosing ownership information about them pursuant to Canadian securities legislation (“**Objecting Beneficial Owners**”). As a result, Objecting Beneficial Owners will not receive these materials unless the Intermediary assumes the cost of delivery.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Non-Registered Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Non-Registered Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Non-Registered Shareholder by its broker (or the agent of the broker) is similar to the Instrument of Proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Non-Registered Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Services, Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Non-Registered Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Non-Registered Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. **Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the voting instruction form provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.**

NOTICE-AND-ACCESS

Under the notice-and-access regime adopted by the Canadian Securities Administrators pursuant to National Instrument 54-101–Communications with Beneficial Owners of Securities of a Reporting Issuer, reporting issuers are permitted to deliver the meeting materials by posting them on SEDAR+ as well as a website other than SEDAR+ and sending a notice package to each shareholder receiving the meeting materials under this regime. The notice package must include: (i) the relevant form of proxy or voting instruction form; (ii) basic information about the meeting and the matters to be voted on; (iii) instructions on how to obtain a paper copy of the meeting materials; and (iv) a plain-language explanation of how the new notice-and-access system operates and how the meeting materials can be accessed online. Where prior consent has been obtained, a reporting issuer can send this notice package to shareholders electronically. This notice package must be mailed to shareholders from whom consent to electronic delivery has not been received.

The Corporation has elected to send its meeting materials to beneficial shareholders using the notice-and-access regime. Accordingly, the Corporation will send the above-mentioned notice package to beneficial shareholders which includes instructions on how to access the Corporation's meeting materials online and how to request a paper copy of these materials. Distribution of the Corporation's meeting materials pursuant to the notice-and-access regime has the potential to substantially reduce printing and mailing costs. Registered shareholders will be mailed a copy of the meeting materials.

EXERCISE OF DISCRETION

The Common Shares represented by the enclosed form of proxy will be voted or withheld from voting in accordance with the instructions of the shareholder. **The persons appointed under the enclosed form of proxy are conferred with discretionary authority with respect to amendments or variations of those matters specified in the proxy and Notice of Meeting and with respect to any other matters which may properly be brought before the Meeting or any adjournment thereof. If any such matters should come before the Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their best judgment unless the shareholder has specified to the contrary or that Common Shares are to be withheld from voting.** At the time of printing this Information Circular, the management of the Corporation is not aware of any such amendment, variation, or other matter.

Unless otherwise specified, proxies in the accompanying form will be voted in favour of each of the items of business to be considered at the Meeting.

PERSONS MAKING THE SOLICITATION

This solicitation is made on behalf of the management of the Corporation. The cost incurred in the preparation and mailing of both the proxy and this Information Circular will be borne by the Corporation. In addition to the use of mail, proxies may be solicited by personal interviews, personal delivery, telephone or any form of electronic communication or by directors, officers and employees of the Corporation who will not be directly compensated therefor.

In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee is responsible for setting the overall compensation strategy of the Corporation and administering the Corporation’s executive compensation program. As part of its mandate, the Compensation Committee approves the appointment and remuneration of the Corporation’s executive officers, including the Named Executive Officers identified in the Summary Compensation Table. The Compensation Committee is also responsible for reviewing the Corporation’s compensation policies and guidelines generally.

As at December 31, 2023, the Compensation Committee is comprised entirely of independent directors (being Mr. Saleem Siddiqi and Mr. Zeeshan Hasnain). The skills and experience of each Committee member in executive compensation that is relevant to his responsibilities and the making of decisions on the suitability of the Corporation’s compensation policies and practices is as follows:

Saleem Siddiqi is the president and founder of Siddiqi & Company Inc., Registered Professional Accountants and Certified Management Accountants. He is an RPA and a CMA who worked at accounting firms such as Usher and Wineberg, Chartered Accountants and was Director of Finance for the Dictograph Corporation, before starting Siddiqi & Company Inc., in 1984.

Zeeshan Hasnain brings over 25 years of experience in Software and Systems Engineering. He worked with AMD Inc for over 14 years and was managing Software Development Engineering teams. Following that he was Head of Technical Projects and Systems Engineering at Thales, where he worked on multiple large-scale projects in multiple countries in the Middle East including Saudi Arabia, Qatar and UAE.

The objective of the executive compensation program is to attract, motivate, reward and retain management talent that is needed to achieve the Corporation's business objectives. The compensation program is designed to ensure that compensation is competitive with other companies of similar size and is commensurate with the experience, performance and contribution of the individuals involved and the overall performance of the Corporation. In evaluating performance, the Compensation Committee gives consideration to the Corporation's long-term interests and quantitative financial objectives, as well to the qualitative aspects of the individual's performance and achievements. In addition, the Compensation Committee will receive and review recommendations of the Chief Executive Officer relating to the general compensation structure and policies and programs for the Corporation and the salary and benefit levels for the executive officers.

The executive compensation program for the most recently completed financial year was comprised of three principal components: base salaries, a bonus plan and a stock option plan which are designed to provide a combination of cash and equity-based compensation to effectively retain and motivate the executive officers to achieve the corporate goals and objectives. Each component of the executive compensation program is described below.

Base Salaries - Named Executive Officers are paid a base salary to compensate them for providing the leadership and specific skills needed to fulfill their responsibilities. The base salaries for the executive officers are reviewed annually by the Compensation Committee and are determined by considering the contributions made by the officers, how their compensation levels related to compensation packages that would be achievable by such officers from other opportunities and commercially available salary survey data. Salaries of the executive officers are not determined based on benchmarks or a specific formula. The Compensation Committee submits its recommendation to the full board of directors to determine the salary of the Chief Executive Officer. The Compensation Committee considers, and if thought appropriate, approves salaries recommended by the Chief Executive Officer for the other executive officers of the Corporation.

Bonus Plan - The Board, upon the recommendation of the Compensation Committee, approves bonus payments to reward executive officers for their contribution to the achievement of annual corporate goals and objectives. The payment of bonuses is consistent with the overall objective of the Corporation to reward performance. No bonuses were awarded in 2023.

Stock Option Plan - The Corporation adopted an Incentive Stock Option Plan on March 6, 2001 which was amended on November 26, 2020 (the "Option Plan") authorizing the grant of options to designated participants (being directors, officers, employees or consultants of the Corporation) to acquire up to 20,000,000 Common Shares (prior to adjustment for the Share Consolidation) which were reserved for issuance under the Option Plan. The aggregate number of options that may be granted to insiders of the Corporation may not exceed 10% of the total issued and outstanding Common Shares and the aggregate number of options that may be granted to any one individual must not exceed 5% of the total issued and outstanding Common Shares.

The purpose of the Option Plan is to develop the interest of officers, directors, employees and key consultants of the Corporation in the growth and development of the Corporation by providing them with the opportunity to acquire an increased proprietary interest in the Corporation. The Option Plan provides that the terms of the options, the option price and the vesting period shall be fixed by the directors. Options are granted based on the assessment of the Corporation's Option Committee of the optionee's past and

present contribution to the Corporation's success and expected contributions of the optionee to the future success of the Corporation.

Option-Based Rewards - The process that the Corporation uses to grant option-based awards to executive officers, including the Named Executive Officers, is for the Board to approve option grants based on recommendations made by the Option Committee. In determining the number of options to be granted to the executive officers, the Option Committee considers the amount, terms and vesting levels of existing options held by the officers and also the number of options remaining available for grant by the Corporation in the future to attract and retain qualified technical and administrative staff. Generally, the number of options granted to any optionee is a function of the level of authority and responsibility of the optionee, the contribution that has been made by the optionee to the business and affairs of the Corporation, the number of options that have already been granted to the optionee and such other factors as the Option Committee may consider relevant.

Risks of Compensation Policies and Practices - The Compensation Committee reviews the compensation policies and practices on a periodic basis. As part of its review and discussion of executive compensation, the Compensation Committee assesses facts that discourage the Corporation's executives from taking unnecessary or excessive risk: i) the Corporation's operating strategy and related compensation philosophy; ii) financial controls that provide limits and authorities in areas such as capital and operating expenditures to mitigate risk taking that could affect compensation; iii) the effective balance, in each case, between cash and equity mix, near-term, and long-term focus, corporate and individual performance, and financial and non-financial performance; and iv) the Corporation's approach to performance evaluation and compensation provides greater rewards to an executive officer achieving both short-term and long-term agreed upon objectives. Based on this review, the Compensation Committee has determined that there are no policies or practices that could encourage a Named Executive Officer or individual at a principal business unit to take inappropriate or excessive risks and is of the view that the compensation policies and practices are not reasonably likely to have a material adverse effect on the Corporation.

The Director's Manual contains information regarding the nature and operation of the Corporation's business, its organizational structure, governance policies including the Board Mandate and each Board committee mandate. The Director's Manual is to be updated as the Corporation's business, governance documents and policies change. Nomination of Directors

The Board does not have a nominating committee and responsibility for identifying new candidates to join the Board belongs to the Board as a whole. The Board is responsible for identifying qualified candidates, recommending nominees for election as directors and appointing directors to committees. The Board is requested to objectively consider the independence of candidates, financial acumen, skills and available time to devote to the duties of the Board in making their recommendations for nomination to the Board. The Board reviews the composition and size of the Board and tenure of directors in advance of annual general meetings when directors are most commonly elected by the Corporation's shareholders, as well as when individual directors indicate that their terms may end or that their status may change. The Board encourages all directors to participate in considering the need for and in identifying and recruiting new nominees for the Board. In doing so, the directors are requested by the Board to have regard to the skill sets which are deemed, from time to time, to be most desired in proposed nominees for the Board.

Compensation

The Compensation Committee annually determines the compensation to be received by the Corporation's executive officers. The Compensation Committee is comprised entirely of independent directors. Compensation is determined in the context of the Corporation's strategic plan, the Corporation's growth, shareholder returns and other achievements and considered in the context of position descriptions, goals and the performance of each individual officer.

To the knowledge of the management of the Corporation, no proposed director or a holding company of such proposed director, has, within the ten years prior to the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold assets of the proposed director or assets of the proposed director’s holding company.

The persons named in the enclosed form of proxy intend to have nominated and to vote for the appointment of NVS Chartered Accountants Professional Corporation of Markham, Ontario as auditors of the Corporation (the “**Auditors**”) at a remuneration to be fixed by the board of directors and to hold such office until the next annual meeting of the Corporation.

5. Amendment to Stock Option Plan

The Corporation has a stock option plan (the “**Option Plan**”) that enables officers, directors, employees and consultants of the Corporation and its subsidiaries to acquire an equity interest in the Corporation through the award of stock options. The Option Plan is an important part of the Corporation's compensation program as it provides a mechanism to attract, retain and motivate personnel that are essential to the long-term success of the Corporation. The Option Plan provides that a maximum of 4,000,000 Common Shares representing 10.7% of the issued and outstanding Common Shares may be reserved for issuance pursuant to stock options granted pursuant to the Option Plan.

The Board, subject to the approval of shareholders, has approved amendments to the Option Plan to increase the maximum number of Common Shares that may be issued pursuant to the Option Plan from 4,000,000 Common Shares representing 10.7% of the issued and outstanding Common Shares to 7,500,000 Common Shares representing 20% of the issued and outstanding Common Shares. The Board believes that it is necessary to increase the number of Common Shares available to be issued pursuant to stock options to ensure that the Corporation is able to offer compensation that is competitive with other companies in its industry and that will attract and retain key personnel.

In addition, the Board, subject to the approval of shareholders, has approved the following amendments to the Option Plan in order to comply with current Exchange policies and enhance the administration and operation of the Option Plan:

- (a) amendments relating to the expiry of options during blackout periods;
- (b) amendments to confirm that disinterested shareholder approval is required for any reduction of the exercise price or extension to the term of options held by insiders;
- (c) amendments relating to eligibility to participate in the Option Plan and the adjustment of options granted under the Option Plan in connection with reorganizations and other transactions; and
- (d) certain other amendments of a housekeeping nature.

The following is a summary of the principal terms of the Option Plan, as amended (the “**Amended Option Plan**”), which summary is qualified by and is subject to the full terms and conditions of the Amended Option Plan. A copy of the Amended Option Plan is attached hereto as Schedule “B”.

Summary of the Amended Option Plan

Directors, officers, employees and consultants of the Corporation or its subsidiaries, and employees of a person or company which provides management services to the Corporation or its subsidiaries may participate in the Amended Option Plan. The purpose of the Amended Option Plan is to provide the participants with an opportunity to increase their proprietary interest in the Corporation in order to provide an incentive for the participants to contribute to the future success and prosperity of the Corporation, thus

enhancing the value of the Common Shares for the benefit of all the shareholders and increasing the ability of the Corporation to attract and retain skilled personnel.

Under the Amended Option Plan, options to purchase Common Shares may be granted in such numbers and with such vesting provisions as the Board may determine, provided that the Corporation may, at any time, have outstanding options to purchase a maximum of 7,500,000 Common Shares. In the event of the expiry or termination of any options, the Corporation may make a further grant of options, provided that the fixed maximum is not exceeded.

The Amended Option Plan also provides that the options granted under the Option Plan are subject to the following limits:

- (a) the aggregate number of Common Shares reserved for options granted to insiders of the Corporation (as a group) shall not exceed 10% of the issued and outstanding Common Shares at any point in time, unless the Corporation has obtained disinterested shareholder approval;
- (b) the aggregate number of Common Shares reserved for options granted to insiders of the Corporation (as a group) in any 12 month period shall not exceed 10% of the issued and outstanding Common Shares, unless the Corporation has obtained disinterested shareholder approval; and
- (c) the number of options granted to any single optionee within a twelve month period shall not exceed 5% of the issued and outstanding Common Shares (or 2% of the issued and outstanding Common Shares in the case of an optionee who is a consultant).

The price per share at which Common Shares may be purchased under an option shall be fixed by the Board when the option is granted, provided that such price shall not be less than Discounted Market Price (as defined in Exchange policies). Once the exercise price has been determined by the Board, accepted by the Exchange and the option has been granted, the exercise price of an option may only be reduced, in the case of options held by insiders of the Corporation if disinterested shareholder approval is obtained at a meeting of the shareholders.

The maximum term of an option is ten years. In the event that a participant ceases to be an eligible participant in the Option Plan for any reason other than death, the participant may only exercise any options for a period of 90 days after ceasing to be an eligible participant, unless such participant was engaged in investor relations activities, in which case the participant may only exercise any options for a period of 30 days after ceasing to be an eligible participant.

In the event of the death of a participant on or prior to the expiry time of an option, such option may be exercised by the legal personal representative of the participant within a period of one year after the death and only in respect of such of the Common Shares that the participant was entitled to exercise at the date of death. Subject to the foregoing, options are not transferable or assignable.

Form of Resolution

At the Meeting, shareholders will be asked to pass a resolution to approve the Amended Option Plan (the “**Option Plan Amendment Resolution**”). The Option Plan Amendment Resolution must be approved by a majority of the votes cast at the Meeting by shareholders in person or represented by proxy. At the Meeting, shareholders will be asked to consider, and if thought appropriate, pass the following resolution:

“BE IT RESOLVED as an ordinary resolution that:

1. the option plan as set forth in Schedule “B” to the Corporation’s management information circular dated May 21, 2024 (the “**Amended Option Plan**”) and the grant of options pursuant to the Amended Plan is hereby authorized and approved.

2. the Board be and is hereby authorized to grant options under and subject to the terms and conditions of the Amended Option Plan which, together with the current outstanding options, will entitle option holders to purchase up to 7,500,000 Common Shares of the Corporation.
3. any director or officer of the Corporation is authorized for and in the name of and on behalf of the Corporation to make such further amendments to the Amended Option Plan as may be required by the TSX Venture Exchange.
4. any director or officer of the Corporation is authorized and directed for and in the name of and on behalf of the Corporation to execute and deliver or cause to be delivered all documents and to take any action which, in the opinion of that person, is necessary or desirable to give effect to this resolution.”

The Board unanimously recommends that the shareholders vote in favour of the Option Plan Amendment Resolution.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the Option Plan Amendment Resolution as set forth above.

6. Approval of Creation of Control Persons

The Corporation anticipates that it will require additional capital to fund its growth plans and it is considering various alternative sources of capital in the form of debt, equity or convertible securities. The terms of any financing have not yet been determined and any private placement of equity securities would be subject to the approval of the TSX Venture Exchange. However, it is anticipated that the Corporation will complete additional private placements of Common Shares and that the principal shareholders of the Corporation may participate in any such financings.

The principal shareholders of the Corporation are Ashraf Zaghoul, Chief Executive Officer and a director of the Corporation, Kristine Lewis, President and a director of the Corporation and 2729252 Ontario Inc., a company in which Mr. Zaghoul and Ms. Lewis each have a 30% interest. Mr. Zaghoul, Ms. Lewis and 2729252 Ontario Inc. currently own 15.9%, 14.59% and 14.97%, respectively, of the issued and outstanding Common Shares.

Pursuant to the policies of the TSX Venture Exchange, if a private placement of the Corporation will result in the issuance of securities creating a new “Control Person”, the Exchange will require the Corporation to obtain the approval of a majority of the shareholders of the Corporation to the private placement. “Control Person” means any person that holds or is one of a combination of persons that holds a sufficient number of any of the securities of an issuer so as to affect materially the control of that issuer, or that holds more than 20% of the outstanding voting shares of an issuer except where there is evidence showing that the holder of those securities does not materially affect the control of the issuer.

In the event that Mr. Zaghoul, Ms. Lewis or 2729252 Ontario Inc. acquires additional securities of the Corporation, whether through participation in future private placements, the exercise of convertible securities or otherwise, Mr. Zaghoul, Ms. Lewis or 2729252 Ontario Inc. may become a new Control Person of the Corporation. Under the policies of the TSX Venture Exchange, the creation of a new Control Person requires disinterested shareholder approval. Additional approvals may also be required at the time of any such transaction pursuant to applicable securities laws.

The Board has determined that it is in the best interest of the Corporation to approve Mr. Zaghoul, Ms. Lewis and 2729252 Ontario Inc. becoming Control Persons of the Corporation in order to provide the Corporation with the flexibility to raise additional capital through the issuance of equity securities to such persons.

At the Meeting, shareholders will be asked to approve the creation of a new Control Person in each of Ashraf Zaghoul, Kristine Lewis and 2729252 Ontario Inc. by way of separate resolutions for each new control person (the “**Control Person Resolutions**”). For the Control Person Resolutions to be adopted, they must be approved by a simple majority of the votes cast by the holders of the Common Shares, either present in person or represented by proxy at the Meeting, other than the votes attaching to Common Shares beneficially owned by Ashraf Zaghoul, Kristine Lewis or 2729252 Ontario Inc. At the Meeting, shareholders will be asked to consider, and if thought appropriate, pass the following resolutions:

A. Control Person Resolution – Ashraf Zaghoul

“BE IT RESOLVED as an ordinary resolution that:

1. any acquisition of additional securities of the Corporation by Ashraf Zaghoul, either through private placements arranged by the Corporation, the exercise of convertible securities or otherwise, which results in Mr. Zaghoul becoming a “Control Person” of the Corporation, as defined under the policies of the TSX Venture Exchange, is hereby approved; and
2. any director or officer of the Corporation is authorized and directed for and in the name of and on behalf of the Corporation to execute and deliver or cause to be delivered all documents and to take any action which, in the opinion of that person, is necessary or desirable to give effect to this resolution.

B. Control Person Resolution – Kristine Lewis

“BE IT RESOLVED as an ordinary resolution that:

1. any acquisition of additional securities of the Corporation by Kristine Lewis, either through private placements arranged by the Corporation, the exercise of convertible securities or otherwise, which results in Ms. Lewis becoming a “Control Person” of the Corporation, as defined under the policies of the TSX Venture Exchange, is hereby approved; and
2. any director or officer of the Corporation is authorized and directed for and in the name of and on behalf of the Corporation to execute and deliver or cause to be delivered all documents and to take any action which, in the opinion of that person, is necessary or desirable to give effect to this resolution.

C. Control Person Resolution – 2729252 Ontario Inc.

“BE IT RESOLVED as an ordinary resolution that:

1. any acquisition of additional securities of the Corporation by 2729252 Ontario Inc., either through private placements arranged by the Corporation, the exercise of convertible securities or otherwise, which results in 2729252 Ontario Inc. becoming a “Control Person” of the Corporation, as defined under the policies of the TSX Venture Exchange, is hereby approved; and
2. any director or officer of the Corporation is authorized and directed for and in the name of and on behalf of the Corporation to execute and deliver or cause to be delivered all documents and to take any action which, in the opinion of that person, is necessary or desirable to give effect to this resolution.

The Board, with Mr. Zaghloul and Ms. Lewis abstaining, unanimously recommends that the shareholders vote in favour of the Control Person Resolutions.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the Control Person Resolutions as set forth above.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as set forth below, none of the Corporation's informed persons (as defined in NI 51-102), proposed nominees for election as directors of the Corporation or their associates and affiliates, has any material interest in any transaction with the Corporation since the commencement of the Corporation's last financial year or in any proposed transaction which has materially affected or would materially affect the Corporation.

Ashraf Zaghloul, Chief Executive Officer and a director of the Corporation and Kristine Lewis, President and a director of the Corporation each subscribed for 4,500,000 Common Shares pursuant to the private placement. In addition, 2729252 Ontario Inc., a company controlled by Mr. Zaghloul (30%) and Ms. Lewis (30%), subscribed for 28,000,000 Common Shares pursuant to the private placement.

2. Administration

The Plan shall be administered by the Board of Directors of the Corporation or by a special committee of the directors appointed from time to time by the Board of Directors of the Corporation pursuant to rules of procedure fixed by the Board of Directors (such committee or, if no such committee is appointed, the Board of Directors of the Corporation is hereinafter referred to as the “**Board**”). A majority of the Board shall constitute a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the directors.

Subject to the provisions of the Plan, the Board shall have authority to construe and interpret the Plan and all option agreements entered into thereunder, to define the terms used in the Plan and in all option agreements entered into thereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan. All determinations and interpretations made by the Board shall be binding and conclusive on all participants in the Plan and on their legal personal representatives and beneficiaries.

Each option granted hereunder may be evidenced by an agreement in writing, signed on behalf of the Corporation and by the optionee, in such form as the Board shall approve. Each such agreement shall recite that it is subject to the provisions of this Plan.

Each option granted by the Corporation prior to the date of the approval of the Plan by the shareholders of the Corporation, including options granted under previously approved stock option plans of the Corporation, be and are continued under and shall be subject to the terms of the Plan after the Plan has been approved by the shareholders of the Corporation.

The Corporation and each Participant are responsible for ensuring and confirming that the Participant is a bona fide employee, consultant or Management Company Employee, as the case may be.

- (b) Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which options shall vest and the method of vesting, or that no vesting restriction shall exist.
- (c) Subject to any vesting restrictions imposed by the Board, options may be exercised in whole or in part at any time and from time to time during the option period. If a Participant shall cease to be a director, officer, consultant, employee of the Corporation, or its subsidiaries, or ceases to be a Management Company Employee, for any reason (other than death), such Participant may exercise his option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided that such exercise must occur within 90 days after the Participant ceases to be a director, officer, consultant, employee or a Management Company Employee, unless such Participant was engaged in investor relations activities, in which case such exercise must occur within 30 days after the cessation of the Participant's services to the Corporation.

Nothing contained in the Plan, nor in any option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, consultant, employee or Management Company Employee of the Corporation or of any of its subsidiaries or affiliates.

12. Death of Participant

Notwithstanding section 11, in the event of the death of a Participant, the option previously granted to him shall be exercisable only within the one (1) year after such death and then only:

- (a) by the person or persons to whom the Participant's rights under the option shall pass by the Participant's will or the laws of descent and distribution; and
- (b) if and to the extent that such Participant was entitled to exercise the Option at the date of his death.

In no circumstances will the Participant at any time be obligated to surrender the Surrender Options as provided by this cash surrender option. The Corporation may, in its sole discretion, refuse to accept the surrender of unexercised Surrender Options and if any such surrender is not accepted by the Corporation or completed for any reason, the notice of surrender (as described below) shall be deemed to be withdrawn and the Surrender Options in respect of which such notice was provided shall again become subject to their original terms as if such notice of surrender had not been provided. Unexercised Surrender Options may be surrendered in whole or in part from time to time by delivery to the Corporation at its head office of a written notice of surrender specifying the number of Shares with respect to which the unexercised Surrender Options are being surrendered. Upon the surrender of unexercised Surrender Options as aforesaid, subject to acceptance of such surrender by the Corporation, the Corporation shall use its reasonable efforts to forthwith deliver to the relevant Participant (or his personal representative, if applicable) or to the order thereof, payment of the Settlement Amount (net of any amounts required to be withheld under applicable withholding legislation) by way of cheque or otherwise in a manner acceptable to the Corporation.

16. Adjustments

If the outstanding common shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation or another corporation or entity through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation or any adjustment relating to the Shares optioned or issued on exercise of options, the exercise price per share as set forth in the respective stock option agreements shall be adjusted in accordance to the terms of such agreements. Any adjustment, other than in connection with a security consolidation or security split, to options granted or issued under the Plan are subject to the prior acceptance of the Exchange.

Subject to applicable approval of the Exchange, the Board may, at any time, suspend or terminate the Plan. Subject to applicable approval of the Exchange and shareholders, the Board may also at any time amend or revise the terms of the Plan; provided that no such amendment or revision shall result in a material adverse change to the terms of any options theretofore granted under the Plan, unless shareholder approval, or disinterested shareholder approval, as the case may be, is obtained for such amendment or revision. Disinterested shareholder approval shall be required for any reduction in the exercise price of an option, or the extension of the term of an option, if the option holder is an Insider of the Corporation at the time of the proposed amendment.

19. Necessary Approvals
